

2008 HART FOOTBALL BUSINESS AD - GAME PROGRAM

Dear Hart Supporter,

The time is here to start preparing for the Hart High School football season! And to start putting our Hart High Football Game Program together.

We are asking for your support by placing an advertisement in our football program which is sold at all home games and home playoff games. This year we will encourage new program sales each and every game by adding action pictures from the previous games. If you would like to contribute gift certificates to give away, we will place stickers on your ad asking the fans to look for the stickers; this brings special attention to your ad and brings more customers to your business.

This is an excellent opportunity to show your support for Hart football as well as advertise your business at this popular community event. The attached form contains information on the ad sizes and prices.

The Hart High Football Program's accomplishments over the past nineteen years are a direct result of a quality football program made possible through strong community support which includes local businesses like yours. With a limited school budget, most of the funding for our football program is generated from our parent booster organization - the Hart Quarterback Club.

Please make out your check payable to Hart Quarterback Club and return it along with the completed form by July 14, 2008 to:

**Hart Quarterback Club
P.O. Box 220512
Newhall, CA. 91322**

Your generosity and support in placing an advertisement in the 2008 Hart Football program is greatly appreciated.

Hart Football now has an exciting new website. To follow our champion football team and to find more information on upcoming events please see our website @ hartindiansfootball.com
